FEEL YOUR TRUE BEAUTY
WITH NATURAL COSMETICS

Hi!

We are a family that loves adventures and nature. We realised it's time for a change in our life. Nature gives us a lot - so it's time to return the favour. We decided to lead a more balanced life style. We changed our diet to be plant based, started meditating, shopping in local stores, reusing plastics, in a nutshell - we chose sustainability.

Our business partners from various sides of the world, are wonderful people who put on a lot of heart in what they do. Windby is an international community of people who are aware and ready to introduce ecological changes in the world.

WILD FLOWER

The scent of the sea, herbs growing under the Croatian sun, handmade oils and lots of love. The perfect blend of all the products from our cooperating company: Wild Flower, a family company from the Mediterranean depths of Croatia. All of their stock is handmade and the team prepares unique blends of 100% natural, local ingredients. The cosmetics do not contain parabens or chemicals, and are not tested on animals.

FACE CREAMS

Fragrant with herbs, charged with the sun and natural ingredients - hand-made Wild Flower face creams. Our offer includes products for every woman and for every skin type - from delicate and sensitive to mature and demanding. Natural, handmade, not tested on animals and made in a family business, with love. Feel your natural beauty.

Moisturising Face Cream
Refreshing 30ml

A Refreshing and Moisturising Face Cream with gentle cotton, apricot and olive oil, perfect for oily and mixed skin. This is our most gentle cream with a strong hydrating effect. It contains active components that restore the vitality and natural skin glow. It is ideal for warm days when the skin only needs a lot of moisture to shine in full glow.

PRODUCER: Wild Flower
EAN: 3859893393709

Almond Regenerating
Face Cream 30ml

Our silky Almond Wild Flower cream is like a plaster for dry skin lacking elasticity. It works great as a protective barrier against external factors, such as low winter temperatures. Enriched with hyaluronic acid, it makes the skin smooth and hydrated, and cold-pressed almond oil revitalises and regenerates. It all makes the skin visibly softened, smoothed, moisturised and protected.

PRODUCER: Wild Flower
EAN: 3859893393693

Nurturing Face Cream Rose Geranium 30ml

This Nourishing Rose Geranium Face Cream with its rich texture is ideal for normal and slightly dry skin care. Olive oil combined with apricot kernel and avocado oil restores moisture to the skin and gives it a healthy look. Shea butter protects the skin from drying out and regenerates it. It restores elasticity, natural glow and is smooth to the touch.

No matter what skin type you have, you can enjoy its beauty every day, with a dash of the best quality, 100% natural cosmetics.

PRODUCER: Wild Flower
EAN: 3859893393716

Moisturizing Face Cream Lavender 30ml

A light and gentle Face Cream with a floral scent of lavender, to moisturise your skin. It contains active components of hygroplex and ceramide complex that restore damaged skin, natural hydration and elasticity. CO2 black thorn pulp protects the skin from sunlight and can be used in early spring as a light face skin protection. This mild texture face cream will satisfy all your senses and your skin will be beautiful.

PRODUCER: Wild Flower
EAN: 3859893393686

Anti Aging Day Face Cream Immortelle 30ml

A tincture of immortelle oil is the base for our light, moisturising face cream. Immortelle is the only plant whose flowers never wither and therefore has the strongest ability to regenerate the skin. In addition to immortelle, the cream is enriched with cold-pressed sunflower and rose-hip oil. The essential fatty acids, vitamins and minerals from these oils make an excellent formula, to care for mature and dry skin. CO2 red tocol cranberry seed oil is rich in antioxidants with a strong anti-aging effect.

PRODUCER: Wild Flower
EAN: 3859893393679

Anti Aging Night Face Cream Immortelle 30ml

Rich, nourishing face cream, made with a tincture of immortelle and cold-pressed sunflower oil, making it ideal for extremely dry, withering and mature skin care. Due to its dense texture, it is good to use in the evening. Immortelle of all known herbs has the strongest ability to regenerate, and with the addition of sunflower, creates lipids like the ones in your skin, slowing down ageing.

Ecology and craftsmanship

HAND CREAMS

Regenerating, nourishing, anti-wrinkle-hand creams, WildFlower naturally cares for our hands that need daily care. It is provided through use of almond oil, immortelle oil, olive oil, Shea butter, apricot kernels and avocado.

These creams are ideal for sensitive skin with regenerating, protective and highly moisturising properties.

Repairing Almond
Hand Cream 75ml

Despite its density, this nourishing hand cream is quickly absorbed and does not leave behind a greasy feeling on your hands. It takes care of very dry and damaged skin. The combination of almond oil and cocoa butter softens, hydrates and regenerates. The warm scents of vanilla and almonds will nurture your hands for a long time.

PRODUCER: Wild Flower
EAN: 3859893393747

Nurturing Lavender
Hand Cream 75ml

Light and moisturising cream for silky, smooth hands. The very mild texture allows quick absorption of cream, but the rich composition creates a layer that protects your hands from external influences. Lavender essential, almond, olive and cotton oils have a mild and calming effect on very damaged hand skin. Shea butter softens and regenerates it. Enjoy the floral scent of lavender and provide your hands with proper care.

PRODUCER: Wild Flower
EAN: 3859893393754

Nurturing Rose Geranium Hand Cream 75ml

Silky – smooth hand cream made of quality and prized apricot, olive and avocado oils, additionally enriched with shea butter. Hand skin becomes refined and nourished.

Constant exposure to adverse external factors leaves marks on delicate and sensitive skin. Dry and cracked hand skin is a common dilemma, but we got you covered.

Daily usage treats your hands and leaves behind the lush scent of rose geranium.

EYE SERUM

Wild Flower eye serums with lavender and immortelle provide solid care and are a natural protective barrier against harmful external factors. Lavender destroys bacteria, almond oil smoothes and regenerates, olive oil moisturises and gives an energetic boost of vitamins and minerals. All these ingredients blend together to make your delicate and sensitive skin revitalised.

Anti Aging Immortelle Eye Serum 30ml

This creamy and dense eye serum is based on a tincture of immortelle oil, acting as an anti-age treatment for the area around the eyes, mouth and forehead. Due to its liquid texture, it is quickly absorbed and leaves no greasy trace. CO2 red tocol cranberry seed oil is rich in essential fatty acids, linolenic and alpha-linolenic acid. These active components have an extremely strong anti-aging effect.

When used with a moisturising and nourishing cream it makes an ideal combination for mature, dry and sensitive skin care.

PRODUCER: Wild Flower
EAN: 3859893393778

Lavender Eye Serum 30ml

With its silky, light and lubricating texture, this serum is intended for the care of delicate as well as sensitive skin around your eyes. Small irregularities disappear after a few days of use. Restores the freshness and glow to the eyes. It is also suitable for younger skin. It is very mild and does not cause allergies or irritations.

The serum is enriched with almond and olive oil. It can also be used as a full-face cream.

PRODUCER: Wild Flower

MICELLAR WATER

Micellar waters with chamomile, lavender, immortelle and rose hydrolates are the recipe for a good cleansing, regeneration and rejuvenation. All of this naturally, quickly and efficiently. Micellar waters are irreplaceable in everyday care rituals, and enriched with hydrolates, are all the more effective.

Micellar Water
with Lavender Hydrolate 200ml

Micellar water with lavender hydrolate gently cleanses and moisturizes the skin. Hydrating with care. Lavender contained in our natural blend has a calming and relaxing effect, but more importantly, regenerates the skin, contains antioxidants, stimulates blood circulation, rejuvenates and destroys bacteria. The Finest Soaps micellar water does not contain alcohol, parabens, artificial colours or substances of animal origin. The preservatives used in it are approved by Ecocert for use in natural cosmetics.

PRODUCER: Lyra Pharm
EAN: 3859893394690

Micellar water
with Immortelle Hydrolate 200ml

Micellar water with immortelle hydrolate gently cleanses, calms and protects skin. Hydrating with care. The liquid soothes irritations, moisturises and regenerates, has anti-inflammatory properties, calms acne-prone skin, and strengthens blood vessels. The addition of immortelle reduces dark circles under the eyes and evens out the skin tone.

PRODUCER: Lyra Pharm
EAN: 3859893394683

Micellar Water with Organic Bulgarian Rose Hydrolate 200ml

Micellar water with an organic bulgarian rose hydrolate gently cleanses and moisturizes the skin. Hydrating with care. In addition, it protects it against damage, regenerates and soothes irritations. Micellar water is suitable for all skin types, but people with dry and sensitive skin will especially like it, because rose preparations have a soothing effect.

PRODUCER: Lyra Pharm
EAN: 3859893394706

Micellar Water with Chamomile Hydrolate 200ml

Micellar water with chamomile thoroughly cleanses and calms the skin. Hydrating with care. Chamomile has soothing, and anti-inflammatory properties, which is why it is especially recommended for people with sensitive skin, prone to irritation. Due to the presence of vitamin C, cosmetics with chamomile also help to lighten discoloration.

PRODUCER: Lyra Pharm
EAN: 3859893394782

FACE FOAMS

Fluffy, delicate and deeply cleansing. Face cleansing foams with chamomile, lavender, immortelle and rose are adapted to all skin types, even the most delicate and sensitive. They do not dry out, soothe irritations naturally and calm the skin. A lush soft scent and the most sensational morning feeling!

Face Foam with Lavender
Hydrolate 60ml

Delicate face foam with lavender hydrolate – cleans, moisturises and regenerates. Lavender also has a rejuvenating, antioxidant and anti-inflammatory effect, and its fragrance relaxes.

The Finest Soaps foams are natural cosmetics. They do not contain alcohol, dyes or substances of animal origin. The preservatives used in them are approved by Ecocert for use in natural cosmetics.

PRODUCER: Lyra Pharm
EAN: 3859893394720

Face Foam with Immortelle
Hydrolate 60ml

The face foam with immortelle hydrolate is a perfect for demanding skin. The addition of the hydrolate brings relief to sensitive, red and irritated skin. The immortelle has a soothing, moisturising and regenerating effect, and also evens out the skin tone and reduces inflammation.

The Finest Soaps facial cleansing foams they deeply cleanse the skin and do not clog pores, which is why they are perfect for sensitive skin – they do not dry it out and soothe irritations.

PRODUCER: Lyra Pharm
EAN: 3859893394744

Face Foam with Organic Bulgarian Rose Hydrolate 60ml

Delicate face foam with the addition of bulgarian rose hydrolate thoroughly cleanses and has a beautiful rose fragrance. However, the plant has many more skincare properties. Damascus rose protects the skin against free radicals, which deprive it of its natural elasticity and smoothness. In addition, it has anti-inflammatory and regenerating properties and reduces discoloration.

PRODUCER: Lyra Pharm
EAN: 3859893394737

Face Foam with Chamomile Hydrolate 60ml

The face foam with chamomile hydrolate gently cleanses and soothes the skin. Chamomile is known for its soothing, and anti-inflammatory properties. Vitamin C also helps to lighten discoloration. The delicate foam is perfect for people with sensitive skin, prone to irritation.

PRODUCER: Lyra Pharm
EAN: 3859893394799

BODY LOTION

Regeneration, vitamins and fragrant care. The balm with the addition of essential oils not only relaxes, but also provides a variety of essential vitamins, regenerates the skin and prevents irritation. Mint additionally cools, and litsea cubeba oil has a refreshing citrus scent and antiseptic properties. The ideal treatment you deserve after a day full of sunshine.

Body Lotion with Mint and Litsea 200ml

Cooling after sun body lotion with the addition of essential oils of mint and litsea, soothes irritations after a day of sunbathing, nourishes and regenerates the skin.

The finest blend includes:

- mint, which has a cooling and astringent effect
- litsea cubeba oil, which has a beautiful citrus scent, is a natural deodorant and has antiseptic properties
- aloe, which soothes irritations after sunbathing, accelerates the regeneration of the epidermis and prevents skin ageing.
